

## Remove Harmful Particulates From Indoor Air.

Studies have shown that removing harmful particulates from indoor air can have a positive impact on many chronic health conditions that include allergies and asthma. Protect your family's health by installing a quality GeneralAire® Air Cleaner.

### How The AC Series Works:

As air from your furnace passes through the Air Cleaner, particulates are captured within the fibers of the filter media. The air leaving your air cleaner is healthier and safer for your family.

Details inside or go to: [www.generalfilters.com/ACSeries](http://www.generalfilters.com/ACSeries)

### Maintenance

Maintenance of your new GeneralAire® AC22 & AC24 air cleaners are minimal. To ensure peak performance and reliable operation, simply replace your filter media when gauge indicates (once every 6-12 months). Go to [www.generalfilters.com](http://www.generalfilters.com) to watch a video about how to change your filter (support center / video library).

### Install An Air Cleaner In Your Home To:

#### Improve Your Health:

Studies show poor indoor air quality is linked to heart disease, high blood pressure, cancer, diabetes, asthma, Alzheimer's, and many more chronic diseases. Ensure good health with a quality air cleaner.

#### Reduce Allergy Symptoms:

Pollen is a major allergen that can cause miserable symptoms such as a runny nose, itchy eyes, sneezing and more. Skin flakes, urine and saliva from pets can all become airborne.

### Why A Whole-House Unit?

- Treats Your Whole House 24 / 7 / 365
- Requires Minimal Maintenance
- Out of Site
- Quiet

**Pleat Spacers (6)**

**G99 Air Filter Gauge**

*Conveniently Built Into the Door*

GeneralAire® offers an easy-to-use, easy-to-read air filter gauge that provides a visual indication of the need to replace your air filter. As the air filter media loads with airborne particulates, the gauge indicator arm will rise, telling you it's time to change your filter.

**Pleated Filter Media**

- MERV 11
- 97% efficient by weight of airborne particles ranging as low as 0.01 microns.
- Anti-tear expandable media
- Provides:
  - 72.3 sq. ft. Filter Area (AC24)
  - 77.1 sq. ft. Filter Area (AC22)

**Door**

- Reliable "Snap Action"
- ThermoPlastic molded door.
- Easily removed for filter media replacement.
- Built to last.

**Replacement Filter Media**

- For optimal performance, replace your filter every 6-12 months

AC 22 - GFI #4001 12758 - MERV 11

AC 24 - GFI #4051 401-13156 - MERV 11

Easy to install. *Easier* to maintain.

**The Comprehensive Approach to Indoor Air Quality**

Creating a healthy indoor air environment requires a comprehensive approach; one that eliminates harmful pollutants and sources of discomfort in your home. Humidity control, air purification, and particulate removal are equally important components of that plan.

Install a Second Wind™ UV Air Purifier to degrade bacteria, germs, viruses, mold, mildew, VOC's, and other infectious diseases. The Second Wind™ 2414-Z features photocatalytic oxidation with singlet oxygen to provide germicidal purification throughout your home while also eliminating stubborn odors.

Contact your local contractor to learn more about how to create a healthier and more comfortable home for you and your family. And visit us at [www.generalfilters.com](http://www.generalfilters.com) for more on indoor air quality.
