### HUMIDIFIERS

#### DSRDAH ROTARY DISC HUMIDIFIER

The Rotary Disc evaporative disc wheel contains 42 polycarbonate discs creating an unprecedented 15 square feet of surface area. Due to the large contact area between the water and airflow, the Rotary Disc design produces humidity even with room temperature (recirculation) air and is an ideal by-pass humidifier for Heat Pump applications.

Product Code	Description	Standard Package	Standard Weight (KG)
DSRDAH	Rotary Disc Humidifier	1	8.6
DSAF15	Autoflush Kit	1	3.0

#### GF3200PFT PULSE FLOW THROUGH HUMIDIFIER

Patented electronic water flow control reduces demand for water by up to 88% compared to ordinary flow-through humidifiers. When in operation, the water supply solenoid valve is pulsed on for approximately 4 seconds, sufficient time to soak the entire evaporative pad. Humidifies up to 3200 sq. ft.

Product Code	Description	Standard Package	Standard Weight (KG)
GF3200PFT	Pulse Flow Thru with Patented Controller Humidifier	1	8
DPDS00200	Replacement Vapor Pad	1	0.5
DPHSA220	Solenoid (Water Hammer Assembly)	1	0.5

#### GF4200PFT PULSE FLOW THROUGH HUMIDIFIER

## Standard Terms and Conditions

### PRICING

All standard pricing is based on our current Distributor Price List Schedules, which is updated & distributed as required. Every effort is made to provide a minimum 30-day notification of a price change, however CGF reserves the right to change prices without notification.

SEASONAL STOCKING PROMOTIONS: CGF periodically issues stocking programs at special discounted net prices and terms. Refer to the program for specific details.

SPECIAL PRICE QUOTATIONS: If special price quotes are issued by CGF, a valid quote number must be shown on all related purchase orders. A valid quote will show validation date and expiry date, as well as part number, quantities, and terms. Quotes must be written and signed by a Canadian General Filters Ltd signing officer.

SURCHARGE, BROKEN CARTONS: A 5% surcharge will be charged if the quantity of goods ordered result in a broken carton. This surcharge is enforced in all circumstances, regardless whether the product pricing is regular, part of a seasonal promotion or specifically quoted.

### ORDERING

Effective July 1st, 2023, our minimum Order Value before H.S.T. is \$250. A surcharge of \$25 on all orders under this minimum will be applied. Replacement parts not included.

Customer Service is available by phone from 8:00am to 4:30pm EST Monday to Friday at 416-757-3691 or toll free at 1-888-216-9184. To minimize possible errors or miscommunication, we require that all purchase orders be faxed to CGF Products at 416-757-4687 or emailed to sales@generalaireiaq.ca

ACKNOWLEDGEMENTS: All orders will be acknowledged by fax or email. It is the customers responsibility to advise of any changes or adjustments to the order as acknowledged.

### FREIGHT TERMS

Unless otherwise specified, all shipments are FOB CGF's Midwest warehouse.  
FREIGHT POLICY CHANGE effective **April 1st 2024**

PREPAID FREIGHT: Filter cabinets & Filter media do not qualify for pre-paid freight! To qualify for Prepaid Freight, all orders for products that qualify must total or exceed \$5,000.00 net (before taxes). To be more specific, the products not eligible for Prepaid Freight are: Air Filters, Air Cleaner Cabinets & Perfect Platforms. Customers can continue to submit orders inclusive of the excluded items and CGF staff will remove the non-eligible items & create a separate release. CGF will supply the information required for customers to organize their own transportation for non-eligible items. CGF offers a 2% freight allowance on the bottom of the invoice for non-eligible pre-paid products.

#### SPECIFIC LIST OF INELIGIBLE PREPAID ITEMS:

## Standard Terms and Conditions

### CREDIT TERMS

Standard credit terms for approved accounts are 1 ½ % 10, net 30 days.

DISCOUNTS APPLIED: Cash discounts for early payment are to be taken on the invoiced product value excluding freight and taxes

UNEARNED DISCOUNTS: To be eligible for cash discounts, accounts must be current and payment must be received by CGF Ltd no later than the discount due date. Unearned discounts taken will not be honored by CGF.

OUTSTANDING ACCOUNTS: If an account is past due, shipment of new orders will be held. Upon receipt of payment, shipments will be released accordingly.

CREDIT NOTES: With the exception of early payment discounts, customers are not entitled to make any deductions from payments without CGF authorization in the form of a Credit Note. We reserve the right to inspect and assess the product to determine applicable re-stocking charges, before issuing Credit Notes.

Goods returned for credit will be subject to a minimum restocking charge of 35%.

### WARRANTY

Canadian General Filters Limited will warranty items upon review of our warranty coverage chart and purchase invoice.

The warranty covers product defects in materials and workmanship only. Defective parts will be repaired or replaced at the manufacturer's discretion without charge. Costs involved in the removal, re-installation and/or transportation of the defective part is not covered by warranty.

There are no express warranties other than those set forth above, the implied warranties of merchant ability and fitness for a particular purpose are limited in duration to one year. The manufacturer assumes no liability in connection with the installation or use of the products except as stated in this limited warranty.

The manufacturer assumes no responsibility and will not be held liable for incidental or consequential damages.

This warranty does not cover labour charges, failure due to abuse, improper use, normal wear and tear or consumables.

### RETURN OF GOODS POLICY

ALL GOODS RETURNED: Whatever the reason, must have a Returned Goods Authorization (RGA) Number issued by our Customer Service Department, and must be returned within 14 days of issue of this RGA number. RGA must be clearly displayed on outside of package. All returned goods will be shipped prepaid unless otherwise approved and the paperwork must indicate the RGA number.

Goods returned for credit must be in the original packaging and must be in new saleable condition. All goods returned for credit are subject to inspection and acceptance by CGF and are subject to a minimum restocking charge of 35%. Additional charges may apply. CGF reserves the right to refuse returned goods due to age and condition of the products.

### DAMAGED GOODS

If the shipment is prepaid, Canadian General Filters is responsible for carrier damages/shortages. An investigation with the transport company is then initiated

Non-prepaid or pick up shipments are not the responsibility of Canadian General Filters, customer must deal with the transport company directly for any damages/shortages.

Title to goods shipped via common carrier collect passes to the consignee upon acceptance of the shipment by the carrier. All claims for loss, due to shortage or damage, must be made to the Transportation company. Upon discovery of concealed damage, or shortage, notify the carrier agent at once and request an inspection.

All shortages must be reported within 24 – 48 hours of receipt of shipment for credits to be honored
